TTCTwins, nor anyone associated with TTCTwins, is responsible for any personal outcome experienced by any member or non-member. By using TTCTwins.com you agree to hold TTCTwins, the owner of TTCTwins and other members harmless and in no way responsible for any personal outcome of any decisions you do or do not make.

Fertility treatments and medications come with risks and TTCTwins does not provide medical advice. All information available on TTCTwins is for information purposes only and is not intended to replace the guidance of a qualified physician. TTCTwins strongly urges site users to consult their physician prior to making any medical decisions. By using TTCTwins, you agree not to hold TTCTwins, TTCTwins owner or TTCTwins members responsible for any health outcomes, events or problems you experience.

TTCTwins strongly encourages users to research their medical decisions thoroughly and to include a qualified physician in the decision making process. TTCTwins is not responsible for the comments of users within the discussion forums or chat rooms. Users are advised to talk to their doctor before making any medical decisions and are instructed not to rely on the information provided to them by other members.

By using TTCTwins, you agree that TTCTwins, TTCTwins' owner and all other members will not be held responsible or liable for any outcome, medical, social or psychological, of any kind of the actions you take prior to, during or after using TTCTwins as a member or non-member.
